ATITUDINALLY Butte outhit Salt Lake in yesterday's game but longitudinally the Skyscrapers had the better of it. Butte's wobbles were more costly than Salt Lake's, and that fact formed another pertinent reason why Merkle's lads came off second best.

It was one of those hitting games that the folks in the stands like to see. There was plenty of fielding, the outfield being kept jumping hither and thither almost in every inning. Spencer in centerfield for Salt Lake, had six putouts to his credit. One of his catches was a stellar performance of the first magnitude. In the eighth Whaling drove a becliner at Spence's spikes. The old boy was there on the grab. He was going so fast that he rolled over a time or two, but he turned right side up with the ball in his fingers. Another pretty play was Pendleton's meathand spear of Demaggio's hot one in the third, his lightning recovery and unerring aim to first.

Jake Sneaks Home.

A double steal was in order. Schimpff started for second and Kafora lined the ball down. It was taken for the short throw by Whaling, but Jake was over before it could be returned. Schimpff came all the way home when Demaggio failed to handle Davis's single to left.

Butte took a counter in the fifth. Turgeon doubled to left and scored on Clyne's double immediately afterwards.

The home team added three in the sixth. McClain was passed and Dressen hit for a buse. Spencer popped out to Turgeon and Murphy filed to Marshall. There were therefore two out and two on when Cap. Huelsman laced it over the fence.

Manager Blankenship of the Missoula team left for his home in Missoula yesterday morning, a very sick man. Blank age to Salt Lake with his team after he had been out of bed only four days. He seemed to improve here, but evidently he over-exerted himself, and Monday night he had a temperature of 103. After a brief stay at Missoula Blankenship will proceed to the coast in the hope that sea it level will help him. It is quite certain that Blank will be unable to do much in the way of baseball during the remainder of the season, and the hurden of handling the Highlanders will devolve on Captain "Nig" Perrine.

	Sewed Up in Third. Salt Lake put the game in the refrigerator in the third, when they made five hits and a couple of walks count six runs. McCreery, who used to pitch in the state league here five years ago, was on the slab for Butte. He has tremendous speed and good curves, but yesterday he was not always able to control the hall. Dressen, while hit numerously, kept his opponents' hits fairly well scattered, and even when Butte bunched three hits in the second and four in the eighth, they counted only two runs in each of those rounds.	the Highlanders will devolve on Captain "Nig" Perrine. There is a movement on foot for a great benefit for Blankenship at Missoula Tuesday, when the Butte team will be in that city. Blankenship is not by any means a pauper, but in view of the fact that he is temporarily "all in" and in recognition of his services to the league, Munagers McCloskey of Salt Lake, Merkle of Butte and Perrine of Missoula have suggested the benefit plan. No doubt the other, managers of the league teams will indorse it. BUTTE. AB R. H. PO. A. E. The siege of training that Jordan has been going through for this match is telling on him, as he is getting nervous and reatless already, and can hardly wait for the time to step on the mat. The only trouble his manager is having with him is to keep him from overworking. After a long run yesterday forenoon he was not allowed to do any work in the afternoon, but today he will do his customary road stunt in the morning and work at the central fire station in the afternoon. Salt Lake Batsmen Pound Out KNIGHTS TOY WITH JAKE STAHL IS RELIEVED; CARRIGAN NEW MANAGER

is now under the management of Bill Carrigan, one of the catchers, and will remain under his management during the remainder of the senson. James McAleer, president of the club, was in the city and it was he who made the change. McAleer left with the team for Detroit.

Stahl was not released. He had a heart to heart talk with McAleer this morning, and after the interview had ended Jake announced to the members of his team that he was through with the club after the playing of loday's game.

For some days stories, supposed to have originated in Boston, have been sent broadcast to the effect that Stahl and McAleer had disagreed and that either one or the other would have to step down and out. This was denied most emphatically by both Stahl and McAleer when they arrived for the series which closed today.
